

## UNIFORM

### INTRODUCTION

The Governors, Principal and Staff expect pupils to wear only those items of school uniform that are published in the official lists. In addition, it is expected that students will take a pride in their uniform and personal appearance. Parents are requested to lend their full support to the Principal and staff by sending their children to College at all times in the appropriate uniform. If, for some reason, this is not possible, parents are asked to contact the College so that problems can be discussed and resolved.

Students will be given instruction by staff if school uniform is not to be worn at any time, for example, a field visit.

Students must have a suitable bag so that books and equipment can be carried in College and to and from home.

### Introduction of new uniform for Year 9: September 2008

Year 9 students will be expected to wear the new uniform detailed below from September 2008. It is important for the College that parents and students know exactly what is and is not acceptable. For this reason, we have chosen to work with one supplier only for the main uniform items. The supplier is 'School Colours', based in Knaresborough. These items will all be badged with the Settle College logo and are very competitively priced.

The uniform will be available directly from the College which will take payment and process orders. The College will keep samples of different sizes for fitting purposes throughout the year. In June of each year, there will be an evening in College for the parents of all new Year 9 students to make orders in person. Further details will be forwarded to parents as part of the admissions process.

### Uniform for Years 10 & 11

Existing Year 10 and Year 11 students will be able to continue to wear the previous uniform, although they may choose to go in to the new uniform if they wish. Please contact the College for details of the previous uniform requirements.
