Dear Parents and Carers,

As we prepare to welcome all students joining Settle College in September, we are pleased to offer a series of additional transition visits for those who may experience higher levels of anxiety or who would benefit from extra support in becoming familiar with the school environment.

These sessions will provide opportunities for students to:

- Explore the school site and learn key areas
- Meet some of the adults they will be working with in September
- Take part in arts and crafts activities
- Join in with sporting activities supported by our Sixth Form students
- Spend time reading and reflecting in preparation for starting Year 7

Transition visits will take place on the following Wednesdays:

- Wednesday 24th June 2026
- Wednesday 1st July 2026
- Wednesday 8th July 2026
- Wednesday 15th July 2026

Students should arrive on the school site at 1.30pm and be collected at 3.15pm. Please note that it is the responsibility of parents and carers to bring students to these sessions and collect them promptly at the end.

In addition, we would like to invite all SEND parents to our SEN Transition Event on Monday 6th July from 1.30pm until 3.30pm. This event is designed to ensure that every child with SEND is fully supported as they begin their journey with us in September.

If you would like to book your child onto any of the transition sessions, please tick the dates above and return your response to us.

We look forward to supporting your child as they prepare for an exciting start to Year 7.

Kind regards

The SEND Team.
