22<sup>nd</sup> June 2026

Dear Parents or Carers,

I hope this letter finds you well. We are looking forward to welcoming your child to Settle College. I am writing this letter to inform you of the following: transition evening, transition day and summer school.

### **Transition evening, Wednesday 8<sup>th</sup> July:**

This evening will allow your child to meet staff at Settle College, including your child's form tutors. At the same time, Mr Whitaker and I will be able to talk to you about more details about the school. This evening will also support your child with the transition day to follow. It will start at 5.30pm in the hall.

During the evening you will have an opportunity to meet the workers from the uniform shop, Skip to School. You will be able to buy your child's school tie that evening for a cost of £10.00. Additionally, the finance team will be there to support the evening. You will also be able to buy locker space if you would wish to for the price of £35 for the 5 years (please pay with a bank card).

### **Transition day, Thursday 9<sup>th</sup> July:**

This is one of the best days of the school year, watching new students explore their new secondary school, creating new friends and enjoying meeting new teachers. If students are travelling outside of Settle, students will be able to use the school buses. Please see attached from North Yorkshire the school transport information for Settle College:

Students are expected to come in their primary school uniform. They will also need to bring their pencil cases and school bags. Regarding food for the day, students can bring a pack-lunch if they wish, or they can sample the school canteen at break and lunch. Costings will be added on your child's parent pay account when set up. If your child receives free school meals, costing will not be added onto your account.

### **Summer School, Wednesday 12<sup>th</sup> August to Friday 14<sup>th</sup> August.**

Once again, we would like to offer our new students the chance to make new friends and experience Settle College in more depth, from learning new methods in Maths, to walking to Little Stainforth as a year group.

This event will only run depending on numbers. If you would like your child to attend Summer School, please click on the link below. More information will be published when we have sufficient numbers, please can you respond by Friday 3<sup>rd</sup> July if you would like your child to attend. Additionally, we are asking for a £20 voluntary contribution towards the event and will add this detail in further correspondence.
